411 W Main, Yorktown, TX 78164

Property Description

Beautifully updated and waiting for you \$234,000!

Welcome to 411 W. Main St. A rare find in Yorktown, Texas waiting for you to call it home. Beautifully remodeled & updated inside and out and features almost 1700 square feet of living space, 3 bedrooms, 2 full baths and a flex room that would make a fantastic office, playroom or easily converted into a 4th bedroom if needed. With the prime Main Street location, you have the option for business use, primary home or both, as it allows for endless options and flexibility with two private entrances and plenty of parking. An entertainer's dream awaits you in the fully fenced backyard offering a private oasis and have a look at the cabana building with incredible covered decks to relax and enjoy after a long day and a huge bonus is the blank canvas inside with over 160 sqft ready to be anything you can dream up. Call us today to see all this home has to offer for only \$234,000!
