Property Description

Home on small acreage for only $249,900!
What everyone is looking for, a home on small acreage! From the moment you pull up the circular drive surrounded by oaks you can take a breath and soak in what country living is truly all about. This property offers plenty of room to spread out on over 4 oak-covered acres with the convenience of being close to town, sitting just a few miles outside of Yorktown and a quick drive to Goliad. With a spacious open concept there is plenty of room for entertaining. Featuring three large bedrooms, two full baths and the primary suite with a great walk-in closet and is connected to the indoor utility room. Walk out the French doors onto the covered patio to relax and play with the fenced in backyard and soak in all the views and incredible stars at night. With several outbuildings and carports you can bring the animals, tools and all the toys, this property is ready for you to enjoy country life! Several updates over the years and is ready for new owners for only $249,900!

Price: $249,900
