### Property Description

Pride of ownership inside and out with this one owner home sitting on 1.38 acres in the highly desired Crestview Subdivision. Country living at its finest with being just minutes from town, bright stars at night and stunning backyard views. This home features almost 2100 square feet of living space with a fantastic open concept and ample storage throughout, three bedrooms, two full bathrooms and a second living room that could easily be a fourth bedroom option if needed and has its own private entrance. The backyard of your dreams awaits you and is filled with Texas natives, several storage buildings and very nice workshop as well as plenty of room to put in a pool or build a shop. Step right in and just unpack as all home furnishings and appliances convey. This home also features a brand-new roof. Homes like these don't come up often, call us today to schedule a showing.
